Capt. R. Marvin-Smith, Department of the Navy

SUBJECT: Release of NIS to SACEUR and SACLANT - Supplemental  
List No. 9 to Consolidated Listing dated 15 May 1956

REFERENCE: USIB-D-51.3/3, (Rev.), dated 10 December 1959

1. Under the provisions of reference directive, the NIS Committee, after consultation with the producing agencies, authorizes that:

a) those NIS units identified by an "X" in column (1) be released to the International Staffs of SACEUR and SACLANT and to their subordinate commands as deemed appropriate by SACEUR and SACLANT for use on a need-to-know basis. It is understood that prior to such release all "Comments on Principal Sources" will be removed and that dissemination of these NIS to the International Staffs is strictly controlled under provisions of NSCID No. 1.

b) those NIS units identified by an "X" in column (2) be released only to U.S. officials of SACEUR and SACLANT by their Parent agencies as their needs require.

2. Particular attention is invited to the fact that some of the units listed in the attachment have not yet been published. Such units are, however, in an advanced stage of production and they will be published in the near future.

3. It is requested that the Chairman, NIS Committee, be informed of all releases of NIS to SACEUR and SACLANT and their subordinate commands.
